**Muscle Car Mania night is for cars "Street Legal" or all out "RaceCars" between 1964 and 1975. All bikes and other vehicles will be able to race but trophies will only be presented to the Muscle Cars.**

**Trophies will be presented to the following classes:**

**8.00 – 9.99 E.T.**

**10.00 – 11.99**

**12.00 – 13.99**

**14.00 – 15.99**

**A trophy will be presented to the winner of each time group. There must be at least two cars for each time bracket to be able to receive a trophy. The winner from each time group will then compete against the other winners in their brackets. Each winner will keep competing until there is only one overall winner and that will be the Champion of Muscle Car Mania. There will also be a Runner Up and crowd favorite trophy.**

**Each entered car will only get two time trials to get an approximate time your car will run that evening, then at approximately 8:30 to 9:00 pm we will start eliminations according to your E.T. group. You must put your dial in time on your left window and left rear of your rear window. MAKE IT LEGIBLE!! After each round you are allowed to change your dial in time in the staging lanes.**

**With this handicap type racing, the slowest car has an equal chance to be an 8 second car. It all depends on how good you are at reaction time (how quick you leave when the green light comes on) and how close you come to running the dial in number you put on your car WITHOUT going quicker.**

**Also, we are giving \$50 cash for the FIRST person that get a perfect reaction time - .000. This applies to all the entries each night.**

**Good luck, be safe and have fun.**
